APPLICATION FOR GROUP MEMBERSHIP

Western Ontario Drama League is an association of amateur theatre groups formed to encourage and promote community theatre. We hold an annual Drama Festival and provide education in Theatre Arts for the benefit of our members and their communities. Please provide the following information:

Date of Application:

Group Name:

Mailing Address:

Web site address:

What year was your group formed?

Does your group have a Board of Directors?

Where do you present your plays? (Town and County)

Please list your last two productions and the date on which they were performed.

-

-

Membership in WODL is available to any not-for-profit theatre group in the WODL area which has been in operation for a period of at least one year, has a board of directors and has presented at least two plays. Annual Membership Fees of \$200.00 are payable by the 1st of October of the current fiscal year. Members wishing to participate in our annual Festival should apply for Adjudication with the appropriate fee before September 30th. This includes In Festival (willing to take your show to another town) or Out of Festival (eligible for appropriate awards).

In addition, please provide the name, mailing address, phone number and email address of your President. You are entitled to two Delegates to WODL meetings (with voting privileges) and we do need to know who these are, with the same information provided as above for your President. Duties of your Delegates are attached. We would also appreciate knowing the name of your Treasurer for invoicing purposes.

You must be a member group before applying for adjudications. Once your application form for membership has been received and reviewed, you will receive a notification pertaining to acceptance or denial.

Your Group Delegates have voting privileges at WODL General meetings that are held twice a year - once in October and once in February. These meetings are informative and educational. Also very important is WODL's Annual General Meeting which is held in July on the weekend of Minifest. All members of your group are entitled to vote at this meeting.

Please complete and return this form to the Membership & Development Committee as noted above.
